Quality Driven

- LBH Xpress offers a Break-bulk dedicated Xpress service using 8 ton and 15 ton box bodied trucks.
- We have a Triaxles, Super links & Interlink service for larger loads.
- We offer a holistic package covering customs export documentation and import clearances with the support of our holding company LBH Africa.
- Goods can either be collected from your chosen location or delivered to our depots.
- Our routes are either from Durban or Johannesburg via Nelspruit to the following destinations Maputo, Beira, Tete, Nampula, Nacala, Pemba, Mocimboa da Praia and Palma.
- We offer an extensive procurement service in South Africa and Mozambique. This includes transport, collection and delivery of the procured goods.

Warehousing

- LBH Xpress has warehousing facilities in Matola, Maputo, Nacala and Johannesburg, this forms a very important part of our operations.
- The warehouse also offers storage facilities for our clients.
- Trucks transporting a consolidated load, will offload the goods at Multimodal for import clearance.
- Cleared goods will be picked up from Multimodal and kept at the warehouse. The goods are then loaded onto the trucks and delivered to their final destination.
